

logitech®

ULTRA HIGH DEF FOR ULTRA HIGH EXPECTATIONS.

Logitech BRIO

Logitech® delivers our best ever webcam with 4K UHD and 5X zoom for truly amazing video quality.

BRIO's 4K image sensor is a next-generation powerhouse that enables 5X digital zoom, high frame rates and multiple resolutions to optimally support any compute/network environment. Logitech's RightLight™ 3

with HDR helps you look your best in any illumination, from low light to direct sunlight. Advanced Logitech optics deliver razor-sharp video resolution with autofocus and multiple FOV options – 65°, 78°, and 90°.

BRIO is also packed with extras, including support for infrared-based facial recognition to strengthen login security, works with Microsoft

Cortana®, supports multiple connection types (including USB 2.0 Type A and USB 3.0 Type A and C), and provides the freedom to mount the camera wherever it works best – LCD screen, notebook, or tabletop – with the removable clip or embedded tripod thread.

Logitech BRIO

FEATURES & BENEFITS

Ultra HD 4K image sensor

Supports multiple resolutions, including 4K (Ultra HD) @ 30 fps, 1080p (Full HD) @ 30 or 60 fps and 720p (HD) @ 30, 60, or 90 fps to best support the quality offered by your application and monitor.

RightLight™ 3 with HDR

Look your best in any lighting environment, from low light to direct sunlight or high contrast.

Ultra-secure login with infrared sensor

Infrared technology supports facial recognition for advanced security with Windows Hello™ or other facial recognition software.

5X digital zoom

Need a closer view of fine details? Zoom in and move around your scene with precision using Logitech or in-app controls.

Expansive field of view

Adjust your field of view from 90° to show more of your setting or include more people—or narrow the scope to 65° or 78° for more focused communication.¹

Razor-sharp optics with autofocus

Enhance face-to-face collaboration. BRIO is the next best thing to physically being there. Advanced Logitech autofocus lens technology delivers remarkable video quality with superb resolution, speed, fluidity, color balance, and detail.

Certified for Business

Business-grade certifications² mean you can launch your next presentation or video meeting with complete confidence.

Omni-directional microphones

Two omni-directional microphones with noise cancellation provide business-class audio performance. Mics even work with Microsoft® Cortana®.

Multiple mounting options

Freedom to mount the camera wherever it works best—LCD screen, notebook, or tabletop—by using the removable clip or embedded tripod thread. Clip is adjustable to fit a variety of screens.

Plug-and-play USB connectivity

Easily connects to PC, Mac® and Chrome™ devices with no additional software required.

Privacy shade

Switch to privacy mode in an instant with the privacy shade.

Multiple connection types

Enjoy the flexibility of USB 2.0 Type A and USB 3.0 Type A and C connections.

Custom carrying case

Take your show on the road. The custom carrying case features separate compartments for the camera and detachable clip/cable to conveniently transport BRIO wherever your travels take you.
